Make your own

Pirate Party Toppers

Follow the instructions to create your own crafty cake toppers for a pirate party.

Materials

- As many copies of this A4 printable template as you need pasted onto 200gsm card
- Scissors
- Glue
- Double sided sticky tape
- Toothpicks or wooden skewers
- A 20cm length of cotton twine

Instructions

Step 1
Cut out all your pirate party toppers. Make sure you have enough for all your guests

Step 2
For the cake bunting: Fold the bunting pieces over your length of string with all the decorated sides facing forward and use tape or glue to secure. Space your bunting pieces approximately 2cm apart. Tie or tape your string at either end to a wooden skewer to add to the top of your party cake.

Step 3
For the cupcake toppers: Use sticky tape to attach a toothpick to the back of each design. Add to some delicious frosted cupcakes..

Well done! Now you're ready to p-arrr-ty me hearties!
